Class Descriptions:

Sewing: In our sewing class students will learn to use the sewing machine to create garments for themselves. We give our teen students full reign to design, choose fabric and create their own garments with help from our knowledgeable staff. We encourage students to make 2 items in one week. Our studio also has dress forms and steam irons as well as all sewing supplies.

Fashion Illustration & Branding: Students will learn how to sketch the croquis, render fabric, and use paint, fashion markers and more to bring their design to paper. Lessons on starting a fashion brand, entrepreneurship and marketing are also part of this class. Perfect for those looking to apply to a fashion design college program!

Field Trip: On Monday of their camp week campers will go on a chaperoned field trip to Mood Designer Fabrics located at 225 west 37th street in Manhattan NY. At Mood students will be given a budget (included in the camp fee) to purchase fabric for their designs to use throughout the rest of the week. The campers will travel via private car service (with one instructor per five campers) from our studio to Mood Fabrics and return to The Fashion Class studio.

Lunch: We have a refrigerator, microwave and water cooler in our studio. Lunch is not included in the camp fee.

Small class sizes of up to 10 ensures each student gets attention and the tools they need to design and create!
